

## *Walk with us and honor the memory of the ones you love*

If you've ever strolled leisurely along a sun-dappled garden walk, you know it is one of the greatest pleasures in life. The fresh air, the wind through the leaves, the sweet sound of songbirds, the sense of inner peace. This experience is what we have created with the Memorial Garden Walk.

The walk is located in the gardens at McCarthy Care Center (MCC) in Sandwich, MA. MCC is Hope Hospice's inpatient unit and provides short-term acute care for symptom management and stabilization. The walk gives immense pleasure and comfort to our residents and their visitors, as well as to the staff and dedicated volunteers.

The warm, red ribbon of bricks leads you through sun and shade and a profusion of colorful plantings. Along the way, names of loved ones and family members and inspirational messages on granite bricks donated by our many friends make up the walk.

Celebrate the life of someone dear to you by choosing a brick to remember a friend who loved nature, a favorite relative whose personality brought light to your life or someone with whom you shared precious moments. As you honor the memory of a loved one, your gift also provides much needed support to maintain our high standards of comfort and care.
